

Visitor reception policy at the Symbiosis Foundation

updated: 01. March 2026.

From 01. Jan. 2016, the Symbiosis Foundation receive visitors according to the following system:

✓ **Reception of the people affected:**

- Reception of own dependants/relatives is subject to the terms of service contracts.
- Disabled people and their relatives interested in our services are welcome **free** of charge, but a written (e.g. e-mail) or telephone appointment is required in advance to ensure that the right competent staff member is available.

✓ **Social Farm – Social Enterprises package:**

The practice-oriented consultation with a visit is billed as a professional consultancy, the fee and content of which are:

- Visit to the Baráthegyi Majorság, with accompanying consultant, **gross 120,000 HUF**. The consultation lasts approximately 2-4 hours and includes a visit to the following units (3535. Miskolc, Majorság street 7.) and information on the professional activities¹:
 - Gardening (greenhouse, garden pond, windmill, foil tent) and mushroom growing (seasonal).
 - Handicraft workshops: small carpentry workshop (with briquette making module), ceramics workshop.
 - Stabling and animal husbandry: goats, horses, donkeys, alpacas, rabbits, pigs, poultry farm, animal assisted therapies.
 - Special Tourism: the Diósgyőr Playing Castle, folk crafts, yurt, special wellness pension.
 - Baráthegy Cheese Manufactory: cheese making, trademark and award-winning dairy products.
 - Description of the framework for social enterprise and social farm.
 - Conditions for obtaining the Social Farm trademark.

The reception of professional visitors is only possible after prior written (e-mail) agreement.

✓ **Social services package:**

The head of the Symbiosis Foundation will give a 2-3 hour consultation on the subsidised housing service licensing procedure, the rules and practices of operation, and the supported housing units of the Foundation. During the professional consultation there will be the possibility to visit two operating supported housing units: the Baráthegy Fűzfás House (3535, Miskolc, Baráthegyalja

¹ Depending on the weather and the season, some activities may be suspended, please inquire in advance.

street 156.) and the Baráthegy Szent Mihály House (3535, Miskolc, Majorság street 1.). During our professional consultation, we will present the different models of our two subsidised housing houses: the "urban" and the "rural" setting, and the different support structures for different groups of residents with different needs. We will also present daycare, the Support Service and developmental employment.

The package costs **120.000 HUF gross**.

✓ **Labor market services:**

How to employ workers with a disability? Advice from licensing to wage subsidies and applications. Presentation of legislation and methodologies (at least three different methodologies). Price of the package: **120.000 HUF gross**.

✓ **"We would just like to see..." visitors ticket:**

A visit to the Baráthegyi Majorság, guided by one of the "just in time" staff, lasting about 1-1.5 hours and for a maximum of 5 people, **gross 30.000 HUF**, which is invoiced as a consultancy. Unfortunately, we are not able to accept visitors without an appointment (mainly e-mail or telephone).

The reception of interested parties is possible only after prior written (e-mail) agreement!
